

Parking & E-Mobility

Dear guests,

you are welcome to park in our **underground car park** (subject to availability!).

The **access** is at **Schöngesinger Straße 2a**. Please take a ticket at the barrier, which will be validated at our hotel reception before you exit.

Attention: The **garage door is closed from 11:00 p.m. to 5:00 a.m.!** If you arrive or depart during this time, we ask you to park at the parking deck (in front of the garage entrance on the right).

Your room key also opens the small door to get into the garage!

Please understand that it is **not possible to reserve** a parking space and we cannot guarantee a parking space.

For loading and unloading you can of course drive directly in front of our hotel (Hauptstraße 7).

E-Mobility

Charge your electric car with 100 % green electricity!

There are 10 charging points available for you in our underground car park, which you can use with your own charging card (charging network ladenetz.de) or adhoc (without card, with QR code).

Public Parking

If the garage is occupied, we recommend the following public parking spaces as an alternative:

- P1 Volksfestplatz:** free of charge, no time limit
600 m distance (7 min walking distance)
Navigation: Volksfestplatz, 82256 Fürstenfeldbruck

For the **weekend** and if you arrive **after 7 pm** and leave before 9 am:

- P2 Viehmarktplatz:** subject to charge from Mo-Fr. 9am - 7pm, Sa. 9am-2pm, sundays free of charge
350 m distance (4 min walking distance)

You can also park free of charge besides the chargeable times opposite our driveway (Schöngesinger Straße 7, in front of a store named „Fuchsweber“) respectively along the Schöngesinger Straße.
